

SACRED HEART CATHOLIC SCHOOL

4 Richard Porter Way
PYMBLE NSW 2073

February 1, 2018

Dear Parents,

In 2018 we are re-energising the Sacred Heart Award. In the past, an award has been given for two outstanding students at the end of the year from each class.

After consideration of our vision and mission statement, we have decided to present an award per term from each teacher (each class) to two outstanding students.

Term 1.

1. There will be a **Sacred Heart Award – Faith Development**

This will be presented to the student who performs well in their religious education studies and display qualities of being a good friend like Jesus.

Term 2.

2. There will be a **Sacred Heart Award – Curriculum**

This will be for the child who is striving to pursue individual excellence.

Term 3.

3. There will be a **Sacred Heart Award – Mercy**

This will be for the child who has a hunger and thirst for righteousness and for social justice opportunities.

Term 4.

4. There will be a **Sacred Heart Award - Community**

This will be for the child who is always keen to help and offer their support in the school and the classroom.

The Sacred Heart Award will be presented at assembly usually in week 9 of each term. Recipient's parents will be discreetly notified prior to the assembly and names will be published in the school newsletter.

We are keen to give children opportunities to be recognised for their efforts throughout the year.

Yours sincerely,

Mary Hor
Principal
