

OUR SCHOOL SONG!

ESSE NON VIDERI – TO BE AND NOT TO SEEM

*Esse non videri – to be and not to seem,
True to who God made us,
Living out God's dream.
Esse non videri – Calls us every day
To grow in love, respect and grace,
To walk in Jesus' way.*

Welcome here at Sacred Heart,
Welcome all who come.
Parents, children, teachers,
A family we become.
Gathered for our growing
And learning as we grow,
A gentle Spirit leads us,
A spirit all our own.

Many colours, many gifts,
Many hearts made one.
Respecting all our differences,
Each person's gift becomes
A chance to learn more truly,
A chance to grow more free,
A way for us to gather
A peace for all to see.

Believing and encouraging
Each other as we grow,
We learn to live with kindness,
We learn to let love show.
We're sure that all who know us
Will see our faces shine
With hope and gentle caring,
With joy and truth our sign.
