

# Family Mass Choir for Christmas Eve

We would like to have a nice big choir for our Christmas Eve Family Mass which will be held at **5pm** with carols before the mass.

There will be one main practice for the choir from **2pm – 4.30pm** on **Saturday 22<sup>nd</sup> December**. The practice will include a short break so please send a bottle of water and a snack. Parents are also very welcome to sing in the choir if they would like to. Otherwise, it is fine to leave the children at the church during the practice. There will also be a practice immediately before the Christmas Eve Family Mass from 4pm sharp.

All children at the school as well as older brothers, sisters and parents are more than welcome to join the Christmas Eve choir. Children always love singing in the choir at Christmas

Please email Annette on [anneteleahy1@gmail.com](mailto:anneteleahy1@gmail.com) or ring me on 0406050882 if your child would like to sing in the choir and can make the practice.
