

Dear Parents,

It's time to start organising your winter uniforms ready for Term 2!

Winter uniform items are available online through the Qkr! App, as well as directly from the Uniform Shop. Online orders will be packed on Tuesdays (after normal shop opening hours) for delivery to your children via their classroom tubs.

A current 2019 Winter Uniform Price List is also available to download from the school website from Wednesday 13 March. Please use the latest form, as some prices have changed since last year.

Now that we have online ordering, there are some administrative changes to be aware of:

- a) Payment is via the Qkr! App, or by EFTPOS/credit card at the Office –
cash and cheques are no longer accepted;
- b) One item type cannot be exchanged for another (a different item requires a fresh order to be placed); and
- c) Refunds for change of mind are no longer able to be processed.

If you order the wrong size, I can always exchange it for another size of the same item type, provided it hasn't been worn, washed or labelled and is returned in its original packaging. As always, any item found to have a manufacturing fault will be replaced, or returned to the supplier for assessment and/or repair, depending on the nature of the fault.

If you're unsure of what size to order, please visit the shop to see the cut of the various items to help you make a decision. Don't forget that there are also pre-loved items available, so come and browse through the racks. The Uniform Shop is open on Tuesdays from 8:30 – 10:00am.

Fitting Appointments

I'll be opening on some extra days after school for a few weeks specifically for Kindy and new families needing a complete winter uniform fitting. **Please do not queue on a Tuesday morning for a full fitting.** It isn't fair to hold up all the people who rely on that time to make quick purchases before work.

Appointments for full fittings (15 minutes per child) will be available on certain days after school from 14 March until 5 April. Please go to:-
