Positive Behaviour for Learning (PBL)

PBL is a whole school approach for creating a positive, safe and supportive school climate in which students can learn and develop. At SHP this approach involves the school community working together and empowering students to participate in decision-making through active involvement in the school's leadership of PBL. It is an evidence-based whole school process to improve learning outcomes for all students.

Tomorrow morning parents are invited to a PBL information session in our school library at 8.45am. Jo Spek, a Parent Education Coordinator from Catholic Schools Office will be presenting the session. All parents are welcome to attend.

Athletics Carnival

A huge THANK YOU to parents, students and staff – what an awesome athletics carnival it was this year!!! Apart from the fantastic weather, there were lots of happy smiles, fast times recorded and a fabulous day was had by all. The loud and passionate war cries were motivated by enthusiastic Yr 6 colour house captains. Well done to our leaders. It was wonderful to nibble on those yummy sausages and cakes too. Many thanks Yr 6 parents.

What a thrill to see the athletic talents of so many of our children. Very importantly it was a very successful day because we all had fun. Thank you to Lucy Middleton, Leanne Grouse and Jodie Devitt who work very hard to prepare for days such as this. The final relay for parents/staff/children was lots of fun too.

Holidays

I hope you enjoy a wonderful winter break and I look forward to seeing you next term on Tuesday, 23 July for lots of exciting learning experiences.

God bless

Principal

Chamber Music Evening

On Thursday 20th June our School Band performed for family and friends and it was a wonderful night of fine music. Thank you to our students for sharing their musical talents with our community.

Year 6 Leadership Day at Monte Sant' Angelo Mercy College

Leadership is a very important quality to have in life. We learnt about such leaders as Catherine McAuley who was determined to help the poor, Malala Yousafzai, who showed such bravery and stood up for all women. We learnt about Molly Steer who showed how she wanted to save the ocean by banning plastic straws in schools around Australia, with a business she started called 'Straw no more'. These leaders are truly amazing and this showed me that anyone can be a leader. It doesn't matter if you are 9 years old or 52 years old like Catherine McAuley. It was such a great day of learning about leadership. *Phoebe*

ICAS

We are happy to inform you that Sacred Heart will be participating in the ICAS Assessments again this year.

ICAS assessments and payments are now online and will allow for greater accessibility for students and faster delivery of results. A more detailed email will be sent out later in the week.

I hope you all have a wonderful holiday and we look forward to seeing you in Term 3.

Grandparents and Special Friends Mass

Please extend an invitation to all grandparents and those special people in your lives that are like grandparents to our special Mass to celebrate their significance in our lives on Thursday, 25 July at 9.00am which is in the first week of Term 3. We hope they will be able to join us in prayer.

Thank you, Lord.

*We thank you Lord, for this term.
For the challenges, the successes, and the mistakes from which we have learnt.
Be with us as we spend our time with family and friends.
Give us strength and courage to do what is right: to be witnesses of our faith.
Help us to be a practical Christian these holidays, to appreciate what others do for us,
to give time and effort to help others.
To be peacemakers in our family.
Keep us safe in our activities; give us good rest and good fun.
Bring us back refreshed and ready for a new term.
We thank you for our classmates, teachers, parents
And a community that cares for us.
May we always be conscious of you in our lives.
Amen*

CANTEEN

Thank you all so much for volunteering your time in assisting us in the canteen. Our new additions to the Canteen have been very popular unfortunately our supplier is stopping its fresh delivery service at the end of September so I will have to look for another, so enjoy while we can. As it is the end of term 2 we are letting our supplies run low so we can empty the freezer and start afresh for Term 3.

Unfortunately we have already run out of GF Nuggets and Tenders but have GF Lasagne. Have a great holiday and look forward to seeing next term.

PYMBLE PARISH SOCIAL JUSTICE

Social Justice Raffle

The Social Justice Raffle this year was again a great success. Thank you so much to everyone in our school community who so generously bought raffle tickets to support the raffle. Between the School and Parish, we raised over \$2,200 which will help send families away for the weekend to the beach at Gerringong. The Crighton family won first prize and the second prize was won by a member of the Parish. Thank you all for your support!

Lego requests

The communities of Griffith have requested donations of Lego for the schools in the area. This Lego will be delivered to schools as far from Griffith as Ivanhoe and Broken Hill. If you have a chance to collect any un-needed Lego over the holidays, a collection box will be in the school foyer for Week 1 of Term 3. Any queries, please contact jocelynbarber@optusnet.com.au
