

In Year 6 we strive to be the best learners we can be.

In history, we have been learning about the Australian Gold rush during the 1800's and the influence it has had on the development of Australia.

In Art, we have been exploring the rough, iconic style of Russell Drysdale and reproducing one of his famous artworks, *The cricketers*.

28th June, 2019 (Excursion)

\$3.08 x 2 = \$6.16

During maths learning we have created our own excursion plan- complete with pricing and timetabling!

Leadership Day at Monte Sant' Angelo.

It was really interesting learning about all the Mercy schools that the sisters set up and it was fascinating seeing the old artifacts, such as the habits and writing instruments they used in the past. Sean

FARE TOTALS:
Individual Opals (one child only) \$29.40
Individual Adults (one adult only) \$12.16
Overall total (including bus transport) \$41.56
Permission slip and
We will give to SEA LIFE
The aquarium should get back
money from SEA LIFE for the
the booking back at SEA LIFE
Time for the usual treatment.

We visited the chapel and it was so beautiful. The tabernacle was so ornate and really stunning. Zac

We visited the room where all the archives were kept and there were so many old school photos of different schools. We saw portraits of the Mercy Sisters, including the foundress Catherine McAuley. Azalea

Debating was so exciting, fun and challenging. We all supported each other and encouraged our team mates to do our best. We were over the moon at how we all participated and how much effort we put in. Seb C & Daisy
