

Term 3, 1S

There's been lots of excitement in 1S during Term 3 as we learn all we can!

Some highlights include:

- Godly Play – when we retell Bible stories of the Old Testament using the desert box and the figurines;
- Book Week - when we dressed up as book character and gave reasons why these were our favourites;
- Pirate Excursion - when we went hunting for treasure on the James Craig;
- Problem solving in Mathematics - when we solve open-ended tasks, draw diagrams and write number sentences;
- The Public Speaking Competition - when we wrote arguments for and against a topic, adding reasons for our opinions and giving examples to support opinions;
- Creative Arts – when we use our cutting skills to create amazing artworks;
- In History – when we learned how the past influences the present and
- In Science – when we studied the life-cycles of living things.
