

Term 1 Week 6, 4 March 2020

Sacred Heart Pymble

Principal's Message

Parent volunteers

Thank you to the parents who have completed volunteer induction at the end of last week or beginning of this week. When teachers are looking for help in their classrooms, we ask that parents complete a short formal induction before they volunteer to assist. Teachers ask for parents to help in several ways such as reading groups, technology support, craft activities, excursions, etc. Teachers will give you a start and finish time, days needed, and a description of the assistance required. Teachers really appreciate your support and we know that the children are thrilled if their parents can help. If you've missed out on the induction this time, I will run another session at the beginning of next term.

Staff

Earlier in the term parents were advised that our Music Teacher Jodie Winton was leaving SHP and going into the educational area of music and early learning. We are hoping that we have news about her replacement soon.

I would like to take this opportunity to explain about allocation of staffing at SHP. We have had several of our full-time permanent teachers return from maternity leave and have requested to return in a job share or reduced load capacity. Teachers may work sharing a class (job share), doing executive release for the AP or REC or taking on another position at the school such as teaching sport or library skills. Teachers on reduced load capacity continue to hold their full-time position as they work in temporary roles as required by the school.

End of Term 1

Coordinator roles and executive roles are allocated to schools based on enrolment numbers. We have 3 coordinator points at SHP this year which we are using for STEM, Sport and IT. Our REC is allocated 'one day off' to assist in the teaching of Religious Education at SHP and other mission initiatives at the school. Our AP is allocated '1.5 days off' class to coordinate timetables, oversee curriculum and assist in the running of the school. Class teachers are allocated to schools based on enrolments. Maximum class sizes are legislated in NSW – no more than 34 children in a straight class. A composite class must not exceed 28. There are many guidelines such as this that determine staffing in our Catholic school system.

Staff NEWS

Supervision of Students

You will notice that there is a teacher on duty at 8.20am each day in the shade shelter area. By 8.30am there are two teachers on duty in that area. At recess and lunch the children commence eating their food in the shade shelter area with three teachers on duty. One of the teachers will then go to the oval to supervise some of the children and one teacher will go to the netball courts with some of the children. Children also have the option of playing in the shade shelter or outdoor learning area. Children are reminded to go to the teacher on duty if there is a concern. The teachers actively supervise all areas by walking around, scanning what is going on and interacting with and supporting interactions with children.

Pop-up Play

On Monday 9 March we have our first pop-up play for 2020. The pop-up plays were designed to support children who are planning to come to BIG school next year. We conduct the sessions on a different day of the week each time so that we can cater for all the children – some attend pre-school on Mon-Wed and others go on Thurs-Fri. The children preparing for BIG school visit SHP with their mother or father, they hear the noises of the school and they work with the Year 5 students who will be their 'buddies' next year. We also arrange for one of our Kindy teachers to run the sessions. The parents enjoy the social interaction and begin to make connections and form relationships which give them confidence about school readiness. Younger brothers and sisters are welcome to come and join even if they aren't going to big school next year. There is no charge for this event. You are welcome to invite families that are not involved at the school yet.

Swimming Carnival

Thank You!

A huge thank you to the parents and staff who assisted with the swimming carnival last week. It was a very successful event, very capably organised by Leanne Grouse (Sport Coordinator) and Darren Nosti (PE teacher). On the day, we were most grateful to Jodie Devitt (Senior Admin Officer) for the organisation of timekeeping and to Jocelyn Barber (parent of Sarah Yr 4) who was a WHIZZ with the starter gun.

Thank you to the many parents who assisted. The PLC pool was a wonderful venue to conduct our carnival with an amazing pool in addition to convenient change rooms and toilet facilities.

Kind regards

Lent at Home

Lent is a time for repentance and renewal. Here are some suggestions for you to try at home with your family.

1. Set up a sacred space – spread a purple cloth on a small table. Add a bible, a candle and a bean bag. Make it a restful place where members of your family can go to read the scriptures.
2. Hold simple meals – come together for the simplest of meals during the week. Discover the joy and creativity in plain foods. Be mindful of those who hunger.

3. Organise a family action – pool your talents to assist someone in your local neighbourhood.
4. Make Sundays special – Sunday is the day of the Lord. During Lent, try to celebrate it well, uncluttered by work and activities. Include rest and prayer.
5. Say sorry – make forgiveness a natural part of your Lenten journey. Look for everyday ways to say “sorry” (in word and gesture).

An excerpt from TersaPirola.net

At the Parent Lenten Reflection session last week, we explore ways to ‘walk the way’ with our children. Thank you to Jo Spek from the CSO who facilitated the session and to our wonderful group of mothers who so willingly participated.

PROJECT COMPASSION AT SACRED HEART IN 2020

Each year, we are called to join the Diocese's commitment to the Caritas Project Compassion campaign. The theme this year is “GO FURTHER TOGETHER”.

Here is the roster for our Lenten Awareness & Fundraising Initiatives at Sacred Heart for 2020. On each of these days, the students are asked to contribute a gold coin donation for the privilege of joining the activity. Together, we achieve so much more!

Whilst fundraising is important, it is equally important to experience the stories of our brothers and sisters in need and to develop genuine empathy and understanding. Therefore, fundraising is accompanied by the stories featured by Caritas this year which we frequently share in our classrooms.

Thank you for your continued support in building the Kingdom of God at Sacred Heart.

Confirmation 2020 at Pymble Catholic Parish

ENROLMENTS ARE NOW OPEN ON-LINE

Children in **Year 2 and above** (aged 7 years and above) who are already baptised are eligible to receive the Sacrament of Confirmation in our Parish. However, as a parent, you know your child best and may wish to wait a bit longer if you feel they are not yet ready to partake in this program.

At Baptism your child began a life-long journey and a way of life. At Confirmation, the graces received in Baptism are sealed with the reception of the seven Gifts of the Holy Spirit. This sacrament enables your child to better participate in the worshipping and apostolic life of the Church. The words that Jesus shared with his disciples at Pentecost apply to each one of us at Confirmation, "you will receive power when the Holy Spirit has come down upon you; and you will be my witnesses" (Acts 1:8).

Part of the booking registration process for Confirmation will be to **Register on-line at** <https://www.trybooking.com/BFTCL>

When registering on-line you will need the following:

- Your child's baptismal certificate
- A Saint's name for your child: Each child needs to read about and select a Catholic saint to be their 'Saintly Friend' for Confirmation. This is a lovely opportunity for you and your child to learn about the Catholic saints
- A Catholic sponsor for your child: The sponsor must be a Catholic over the age of 16 who has received all of their Sacraments. The sponsor may be a godparent, a relative, or a friend; however, someone you trust who will offer on-going spiritual guidance to your child

Confirm enrolment for your child by attending the **Parent Information Evening on Wednesday 29 April at 7:30pm at Sacred Heart Church**. Enrolment can only be confirmed with parental attendance at this session.

The family plays a central role in the faith formation of children. Our program operates by preparing children in small, home-based groups, with others from the community. Parent volunteers act as facilitators for the group; however, the expectation is that all parents partake in this process.

Following the four-week preparation period, Confirmation will be celebrated during two masses on **Saturday 30 May at 2:30pm and 5:30pm at Sacred Heart Church Pymble**. Choose the session that works best for you and your family. Please note there will be a practice for Confirmation on Thursday 28 May at 4:30pm OR 6pm.

If your child has additional needs, please contact the office so we can work with your family to find the best way to support you and your child during preparation for the sacraments.

Dates for Sacraments 2020

The Literacy Centre

Returning Books: The 'Book Muncher' will be outside the Literacy Centre each Tuesday and Wednesday morning so that you can return your **books before school starts**. This ensures that the books can be back on the shelves before lessons and borrowing begins. Parents, could you please remind your children to do this as they come to school on Tuesday and Wednesday. THANK YOU!

Premiers Reading Challenge: All Sacred Heart students will be involved in the Premier's Reading Challenge this year which starts in March and ends in August. All Sacred Heart students will be issued with new passwords and usernames over the next couple of weeks - please keep this password somewhere safe as it will be used each year. Parents with students in K-2, you will be responsible for assisting your students log their books. Students in Year 3-6 will be able to log their books independently (but will need reminders at home!). Information on the challenge, how to log a book and website details will be sent home to all parents shortly.

Tiny Tots Story Time: We have had such a lovely time on Thursday mornings at our Tiny Tot Story Time. All preschoolers and their parents/guardians are welcome from 8:45am - 9:15am. Don't forget to bring a bag for borrowing books.

Parent Library Borrowing: We have a fantastic selection of parent books in our Library for you to borrow under your child's name. Come in and have a look! Some of the titles include: 'Raising Boys' and 'The Secret of Happy Children' by Steve Biddulph, 'How to talk so kids will listen & listen so Kids will talk' by Adele Faber, 'Thriving-raising kids with confidence, character and resilience' by Michael Grose.

Literacy Centre Workbooks: All students will be bringing home a workbook for their Library lesson this week. Please cover in clear contact and bring back by next Tuesday. Thank you!

STEM Challenge Week: Last week the students in K-6 were all involved in various STEM Challenges during their Library lesson. These challenges were teaching Level 1 STEM Skills and focused predominantly on the skills of 'Collaboration, Growth Mindset and Problem Solving'. These skills will continue to be explicitly taught and used during class time. Our next STEM Challenge week will be in week 9 (remember there is no borrowing in class time during STEM weeks, but

students are more than welcome to bring their borrowing bags and borrow books at lunch time on Tuesday or Wednesday that week).

P & F

	<p>P&F Welcome Drinks Party</p> <p>The Parents and Friends of Sacred Heart enjoyed a fantastic evening of re-acquainting with old friends and getting to know some of the new members of our community at the annual cocktail party.</p> <p>It looked like everyone had a fantastic time – [see the attached link for some photos from the night]</p> <p>https://drive.google.com/open?id=19DwPDpM-aP03f23Cxxhbx2obrFvC0n-l</p> <p>On behalf of everyone who attended, many thanks to Charlotte and Andrew Hudson for kindly opening their home and hosting everyone for the evening. Thanks also to the Year 6 volunteers who were awesome helpers on the evening. Finally, many thanks to the P&F Committee and other volunteers who helped to plan, organise, set up and tidy up the event.</p>
	<p>Camp Out</p> <p>The school camp out will be held on the Oval on 21 March – with everyone welcome to attend.</p> <p>You can camp for the evening, or just come along for a BBQ and games. It will be a free event to attend, but we ask that you register below (either to camp or just attend for the afternoon / evening) so we get a sense of numbers:</p> <p>https://www.trybooking.com/BIXUV</p> <p>Running order is as follows:</p> <p>2pm – Site opens to pitch tents</p> <p>3.30 – 5.30 – Organised games on the Oval for Children</p> <p>5.30 – 7.30 – BBQ (please bring cash for sausage sizzle, soft drinks and lollies).</p> <p>As ever, any volunteers to help the event would be greatly appreciated. Canteen

Can you believe we are halfway through Term 1; these weeks have gone so fast.

It has been so nice meeting our new families and welcoming them to our SHP community. We have been busy in the canteen, thank you for your support.

To our volunteers we appreciate you giving up your time in assisting us in the canteen, the canteen couldn't run as smoothly without your help, it is greatly appreciated.

Please find attached the Canteen Roster for the next 3 weeks if you need to change or swap please contact someone who helps on the same days as you or contact me by email and I can help you.

Swimming Lessons Can Help Manage Screen Times

Aquabliss, who manage the swim school at Sacred Heart's on-site pool, certainly support the use of computers and other electronic devices for educational learning. In this article they give some hints and tips on how to get a balance between on and off-screen time when school, homework and essential communications are over.

Screen Time Stats

The Australian National Physical Activity and Sedentary Guidelines, recommends:

- For kids under 2, the standard is zero screen time.
- For kids 2 - 5 years of age, the standard is less than 1 hour of screen time per day.
- For kids 5 - 17 years of age, the standard is less than 2 hours of screen time per day.

Mental Health

Whereas screens can sometimes aggravate stress and anxiety, swimming can reduce both. Due to its repetitive nature, swimming can put little ones on autopilot, helping them let go of their worries and hush their thoughts. It also encourages the release of endorphins, which generates a feeling of calm, as does the sensation of weightlessness. And by tiring your kids and teens out by swimming – they'll sleep better.

The Water Works

There are many things swimming can do that devices don't usually provide. Swimming lessons encourage kids to listen to instructions actively and concentrate on one thing at a time. Have you noticed how often you can get distracted when online, jumping from site to site? In a watery learning environment, you often need to work with others, as well as work together to achieve goals. And speaking of goals, swimming can help kids and teens learn to set them effectively. Weekly practice motivates swimmers to reach their ambitions in the water. Learning to swim is all about self-motivation. Kids get to know their strengths, and these then extend to life out of the water.

Socially Speaking

Swimming is a sport that boosts confidence, and the earlier kids learn, the more confidence is fostered. Learning swimming skills is excellent for self-assurance because it encourages independence. Little swimmers also gain robust visual-motor skills, which resonate with their out-of-water adeptness like cutting and colouring-in. Being on devices can be detrimental for your child's confidence. The constant comparisons and exposure to other people's 'highlights reel' can crush self-assurance. When kids have solid swimming foundations, it opens up more social situations, to hang out at the beach or pool with friends and family. Less reasons to hide behind a screen.

Alternate Activities

When you take away excess screen time, you'll find an activity hole to fill. Turning off the tablet in favour of taking tumble turns in the water can be infinitely more beneficial in both the short and long-term. So, help your kids develop a love for swimming and being in the water, which they can carry with them throughout their lives. The goal is to foster kids who are confident in the water. When you raise kids to love swimming, they are likely to choose to spend time in the water over time in front of a screen.

Sacred Heart Football Club

2020 Season Registrations still open!

Sacred Heart Lions Football Club – Register now to avoid disappointment!

We still have some vacancies in our U9 and U11/12 age groups. Remember joining our club is not restricted to children of Sacred Heart, so if your child has friends at other schools who would like to play, all are welcome!

Visit the website www.lionsfootball.org.au to register.

All children are encouraged to join the mighty Lions for the 2020 soccer season. Playing soccer is a great way for your child to have fun, make new friends and keep active. It is also a great way for parents to get together. Registrations are now open online.

Soccer Grading Day – Saturday 7th March

Grading day will be held at the school oval this coming Saturday 7th March for our U6 – U10 age groups:

U6: 10:00am – 10:45am

U7: 10:45am – 11:30am

U9: 11:45pm - 12:45pm

U8: 12:45pm – 1:45pm

U10: 1:45pm – 2:45pm

If your age group is not in the schedule then there is no requirement to attend.

Can everyone please arrive 15 minutes early? Please wear training attire, boots and shin pads. We will be providing training bibs for the players to wear over their shirts.

Please note that our U6 and U7 age groups are not graded. This Saturday is an opportunity for them to play some fun matches and for the age coordinators to obtain 'play with friend requests.'

Gear Collection & Purchase

We will have a gear stall set up on the oval during grading day. If you have prepaid for gear (socks, shorts etc) we will have it ready for collection, with the exception of fleeces which are on back order. You are welcome to purchase other items as needed.

If your age group is not participating in grading, you are still able to visit the gear stall this Saturday. If you have soccer boots that your child has outgrown, they can be donated to the stall and new players may be able to use them. Once the season starts, any leftover boot donations will be going to charity.

Any questions please contact Jess Varnum by email gear@lionsfootball.org.au or mobile 0413 918 105.
