Fee Relief during Covid-19

As we ease from lock down and pandemic restrictions, some families may find that their former lives have changed and financially they need to make adjustments to their lifestyle. Please do not hesitate to contact me if you're feeling overwhelmed by these changes and concerned about education expenses. I am keen to support our SHP community and ensure that your children are given the opportunity to continue their Catholic education despite these challenging times. Please be aware of the support of Bishop Anthony and the Broken Bay Catholic Schools Office. The following information is available on our website.

<https://www.csodbb.catholic.edu.au/parenthub/Overview/251>

The Diocese of Broken Bay is aware of the financial strain that COVID-19 is having on some families and its impact on their capacity to pay school fees. With this in mind, we would like to offer the following fee relief program:

1. A full reduction on fees, building levies and school-based charges for Terms 2 and 3 for any family in receipt of the JobSeeker payment. Please complete the Fee Relief Request form and return to us at schoolfees@dbb.org.au

2. A partial reduction of at least 50% on fees, building levies and school-based charges for any family where one parent member is in receipt of the JobKeeper payment. Please complete the [Fee Relief Request form](#) and return to us at schoolfees@dbb.org.au
3. Deferment of payment of any fees until January 2021 for any family who, under COVID-19 related financial stress, requests additional time to pay outstanding fees. Please complete the [Request to Defer Payment form](#) and return to us at schoolfees@dbb.org.au
4. If you are unsure your circumstances fit the any of the above options please contact us at the Fee Liaison Unit on 9847 0728 for assistance between 8 a.m. and 4 p.m. (Monday to Friday). Please also complete the [Fee Relief Request form](#) and return to us at schoolfees@dbb.org.au

Parent Teacher Phone Interviews

Parent teacher interviews are a valuable part of the assessment and reporting requirements for any school. At Sacred Heart we certainly value the opportunity to talk with parents about their child's learning successes and ways forward. Your child's report will be sent via Compass at the end of Week 9. This year, due to Covid-19 restrictions, parent teacher interviews will be conducted over the phone during Week 10, Monday 29th June – Thursday 2nd July. The interviews will be 10 minutes in duration, and you will receive a notification to make a booking via Compass. This is an opportunity for communication between teachers and parents to discuss learning behaviours, academic achievements and challenges and social and emotional learning skills.

If the teachers feel the need to discuss any learning challenges your child may be experiencing, they will speak with you over the phone prior to week 10. If you have any pressing concerns that need to be discussed with the teacher prior to week 10, please email the office to arrange a time for the teacher to call you.

We look forward to working in partnership with all parents to ensure optimal learning opportunities for each child.

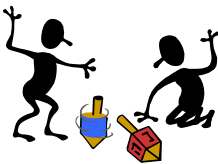

PBL

Our three main rules at Sacred Heart are to **CARE FOR SELF, CARE FOR OTHERS** and **CARE FOR THE PLACE WE ARE IN.**

Our focus for this week and next week is to **Be a good listener.**

We remind the students that being a good listener involves making eye contact with the person speaking and responding appropriately.

Feat of the Sacred Heart

Next Friday, 19 June is the feast of the Sacred Heart and to celebrate this special day we will wear a splash of red to remind us of our "big hearts" here at Sacred Heart Primary Catholic School.

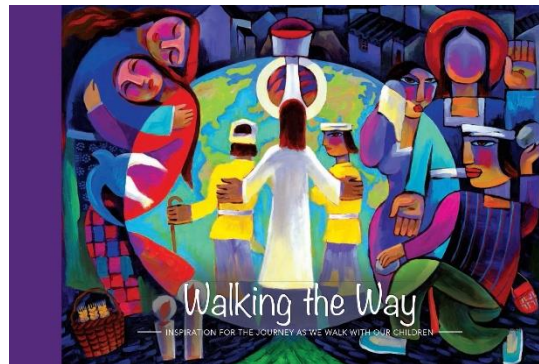

We will reflect on the Sacred Heart of Jesus in our classrooms and reflect on its meaning for us through learning experiences and through prayer.

In their classrooms, every student will decorate an individual heart that will form a display in our Sacred Heart block symbolising solidarity and demonstrating that, together, our Sacred Heart community forms one big heart.

***Sacred Heart of Jesus,
burning with love of us,
inflame our hearts with love of Thee***

This year our response to the Vinnie's Winter Appeal will take the form of *acts of kindness*. Due to the pandemic at this time, there will be no plea for donations.

Borrowing Books

We have started to borrow books again! Using the guidelines given on borrowing books, students can borrow 1 book each week and will need to return the book the following week (books will be left for 24 hours and sanitized before re-shelving). Please make sure that your child has returned all books from last term before re-borrowing, and library bags are compulsory!

Wellbeing Week

We have many new books in the library that focus on self-awareness and self-management skills. These books are being used this week in the classrooms as teachers discuss the skills and strategies, we use to regulate emotions. We are also using a range of texts which show the character trait 'ZEST'!

Premiers Reading Challenge

Congratulations to the following students who have completed the challenge since the previous newsletter! We are so proud of you!

Scope IT

We are very excited to have 'Scope IT' come next term and work with each class on developing and enhancing the students' coding and digital technology skills. Each class will have a 40-minute lesson each week in Term 3 with the 'Scope IT' team. Keep an eye here for more information in upcoming newsletters.

ALL YOU NEED IS LOV

Our community is known for its overwhelming generosity, compassion & care for those in need in any circumstances. Each year we put together a LOV list (List Of Volunteers) which is a group of people able to provide help and support to families within our school community, in times of need- such as (but not restricted to):

- illness of a family member
- birth of a baby
- moving house where the family may need help with a few meals on moving day or a couple of days after the move
- family emergency of any kind
- unforeseen circumstances

A request for help may include:

- A family meal, school lunches, prayers, drop-off and pick-up from school etc
- However, the most common thing needed is a family meal.

We do have very few volunteers on this list. If you would like to join our wonderful volunteers please text (0449 840602) or email me at jburdajewicz@hotmail.com

Our lives change and the LOV list is available to drop off and on as you feel at any time through the year. Many hands make light work and the generosity of time and assistance required is shared amongst the entire list. You may only be called upon once or twice a year to give assistance and possibly not at all.

Please be assured that any requests made to the LOV Coordinator and volunteers are kept confidential. Your information is treated with respect and privacy. Any questions please don't hesitate to ask: If you are in need of using the LOV list please email me or speak to Mary Hor.

Parking and road rules in school zones

You need to take extra care when driving and parking in school zones. Make sure that you and your child understand the road rules. If you break the traffic rules in a school zone you are putting not only your child but other children at risk. The parking and traffic rules around our schools are there to protect your children. If you break the rules you will be fined. **Please choose safety over convenience.**

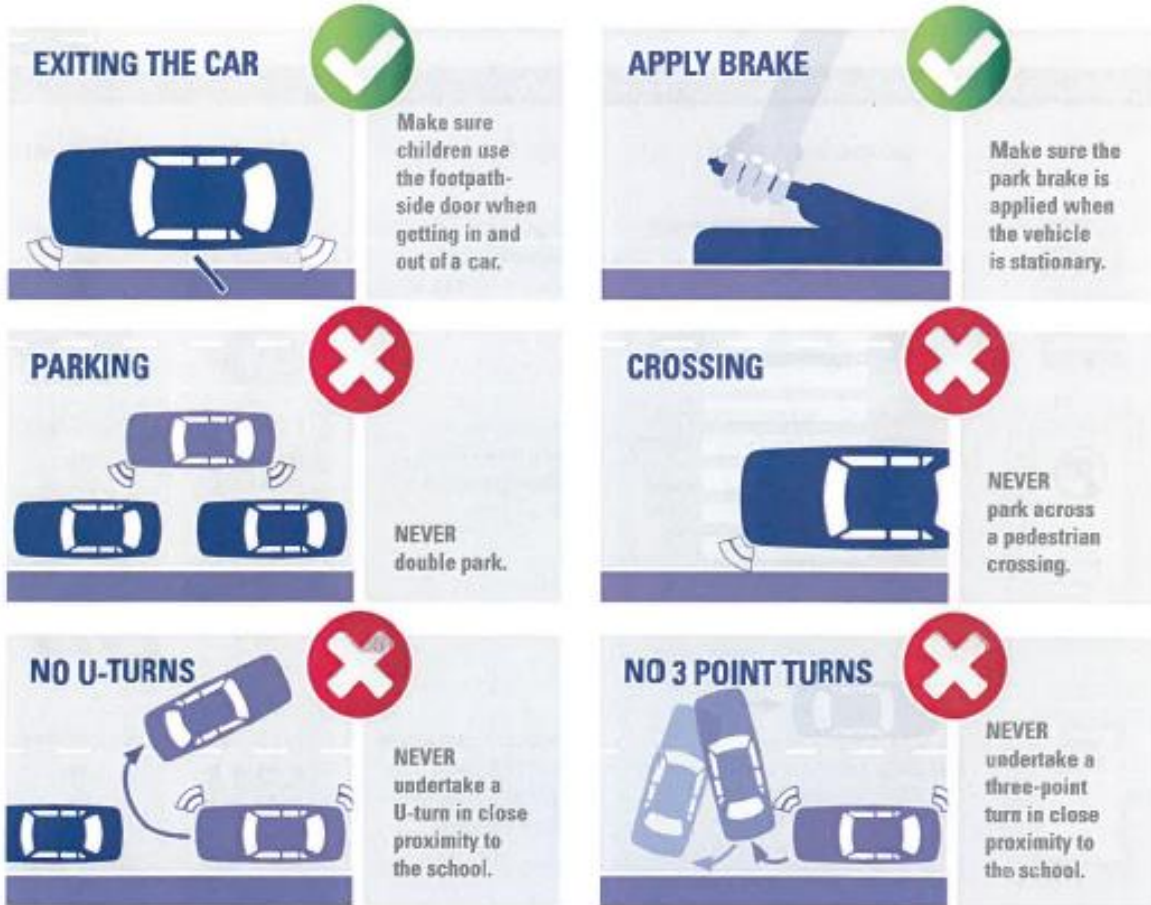

QUICK REFERENCE GUIDE TO IMPORTANT SAFETY TRAFFIC RULES

ZONE	WHAT DOES IT MEAN?	WHY IS IT THERE?	PENALTY	DEMERIT POINTS*
	You cannot stop in a NO STOPPING zone for any reason (including queuing or waiting for a space). 	Keeps clear sight lines between drivers and children / pedestrians.	EXCEEDS \$344 	(School Zone) 2 
	You can stop in a NO PARKING zone for a maximum of 2 minutes to drop off and pick up passengers. If no spaces are available you cannot queue on the road way or in any other zones while waiting for a space. You will need to drive away and park elsewhere, only returning when there is space to pull up. You must stay within 3 metres of your vehicle at all times and cannot leave your vehicle unattended.	Provides a safe place for children / pedestrian set down and pick up.	EXCEEDS \$191 	(School Zone) 2 
	You must not stop or park in a BUS ZONE for any reason (including queuing or waiting for a space) unless you are driving a bus. If times are shown on the sign, you are not allowed to stop during those times.	Provides a safe place for large buses to set down and pick up school children.	EXCEEDS \$344 	(School Zone) 2 
	You must not stop on or within 20 metres before a PEDESTRIAN CROSSING or 10 metres after a crossing unless there is a sign permitting parking.	So drivers can clearly see pedestrians on the crossing.	EXCEEDS \$457 	(School Zone) 2 
	DOUBLE PARKING You must not stop on the road adjacent to another vehicle at any time even to drop off or pick up passengers.	Double parking blocks visibility and forces other cars to go around you.	EXCEEDS \$344 	(School Zone) 2 
	You must not stop on any FOOTPATH or NATURE STRIP , or on, or across a DRIVEWAY .	You could easily run over a child or force pedestrians onto the road to get around you.	EXCEEDS \$344 	(School Zone) 2 

Please note: The above information is current as of November 2019.

Demerit Points:

* The **Demerit Points** Scheme is a national program that allocates penalty points (demerits) for a range of driving offences. A driver who has not committed any offences has 'zero' points. If you commit an offence that carries demerit points, the points are added to your driving record.

For further information regarding demerit points please visit: rms.nsw.gov.au/roads/safety-rules/demerits/
