

Term 1 Week 7, 10 March 2021

# Sacred Heart Pymble

**DEDICATED ONSITE BEFORE AND AFTER SCHOOL CARE**

**Open Days**  
Thursday 25 March & Thursday 6 May

School Tours: 9:00-10:30am

## INSPIRING YOUR CHILD TO LOVE LEARNING AND BE THE BEST THEY CAN BE

Sacred Heart is the perfect place for your child to learn and grow. Our community is what makes us different, it is an essential part of our school where teachers, families and students care for and support each other. Providing spacious grounds including an oval, netball courts and a swimming pool combined with innovative classrooms, well-equipped for future-focused learning and an extensive range of extra-curricular activities. We have highly qualified, professional teaching staff supporting the needs of all of our students with wellbeing as a key focus.

Sacred Heart Catholic Primary School 1 Bobbin Head Road, Pymble, NSW 2073  
Phone: (02) 9440 8056 Email: [shp@dbb.catholic.edu.au](mailto:shp@dbb.catholic.edu.au) Web: [www.shpdd.catholic.edu.au](http://www.shpdd.catholic.edu.au)  
All families looking for a faith-based education for their child are welcome to apply

## Upcoming Events

**March 17**

St Patrick's Day  
Wear a touch of green

**March 18**

Crazy Sock Day

**March 22**

Polding Swimming Carnival

For more details please go to  
our website  
[www.shpdd.catholic.edu.au](http://www.shpdd.catholic.edu.au)

## PRINCIPAL

### RESTRICTIONS EASING

Thank you for your cooperation as school restrictions are eased with regards to parents returning to the school site again. The teachers and children have managed a smooth transition on Tuesday after almost one year of locked gates and exclusion. From now on, if parents are picking up their children at the end of the school day, they can wait in the shade shelter area for children to be dismissed. Children who are being picked up by parents or carers ('drive through') will be seated near the school office and called to waiting cars.

Morning supervision commences at 8.20am so the school gates will not be open until there is a teacher on duty. Entry will be available via the gates near the school office, near the demountable classrooms and near the before and after school care area. If the gates are closed, the children will need to be accompanied by a parent to sign them in as a late arrival. We appreciate your support to ensure the safety of our children.

# PRINCIPAL

## LEARNING AT SHP

Our classrooms are becoming increasingly diverse as we prepare students for a future of collaborating within a diverse and changing future and workforce. Cooperative learning structures provide students with opportunities to collaborate within a group and increase student engagement. Providing opportunities for students to personalise learning objectives and set goals for their learning and monitor their understanding as they engage in a task is motivational. The collaborative inquiry process calls for us to assess strengths and needs of students, design a strategy for change, implement the strategy using formative assessment to monitor and adjust and then measure/reflect/change to inform the next step. We are providing opportunities for ‘new pedagogies for deep learning’ (NPDL). By now, you will have noticed that at SHP the students work in a collaborative process and are setting learning goals. Students regularly use self-review, peer review and a rubric to assess and determine feedback. We encourage students to articulate their learning goals and share their understanding of success criteria in their learning. We hope that your children are sharing some of their exciting learning experiences with you.

## P & F MEETING

We look forward to welcoming the Parents and Friends of the SHP community to our first meeting this evening at 7pm. The meeting will be held in the school library. If you are unable to physically attend the meeting, you may also like to join us via zoom.

### Zoom Details

Topic: My Meeting

Time: Mar 10, 2021 07:00 PM Canberra, Melbourne, Sydney

## PARISH DEVELOPMENT

The following information was shared with our school and parish community at the end of last year. Last week this information was again presented to our parish community.

*The Parish has a long history in the Pymble and West Pymble communities - since 1893 the Catholic community in Pymble has witnessed and contributed to many changes within the Church and the School as our Parish has evolved over time. As careful stewards of our Parish, we have a responsibility to maintain, renew and future-proof the significant assets of the Parish for those that follow; it is only through responsible stewardship that we are able to secure the sustainability of the Parish for our children and grandchildren.*

*Some of you will be aware of various past projects which have been considered by the Parish in an attempt to generate additional income. None of these has come to fruition for a variety of reasons. Nevertheless, it is time once again to turn our minds in a concerted way to potential opportunities which will financially assist the Parish with its ongoing costs and we would like to involve our parishioners in the journey we will commence shortly. Underutilised parish owned property could be one option to fill the gap between our current operating costs and income revenue. Please note that importantly, there is no plan to sell any property or to use our highly valued Sacred Heart School oval.*

*One important early step for us is to provide a forum for community consultation so that views and feedback on potential options for the generation of revenue can be received, and questions and concerns answered. The first stage of this consultation process will involve a **face to face Parish consultation forum** which all are invited and encouraged to attend.*

*We are delighted to be able to travel this road with our parishioners and stakeholders, so please join us if you can be part of the journey to support our Parish and its mission.*

*On Wednesday 24 March 2021 at 7:00 PM to 9:00 PM*

*Due to Covid-19 protocols, if you would like to attend, please register via Trybooking following the link below or contact the Parish Office on (02) 9144 2702 and the staff in the office can complete the registration for you. [trybooking.com...](http://trybooking.com...)*

# ASSISTANT PRINCIPAL

## NAPLAN

This year, our students in Years 3 and 5 will undertake NAPLAN online, commencing on Tuesday 11th May. Our preparations for this are already well underway. Our teachers will be working during class time to ensure that students are very comfortable with the question styles and formats before sitting the tests. In addition to regular practice questions, we will undertake a coordinated practice test on Thursday 25th March.

To assist students, parents and teachers to explore the test format and become familiar with all the tools and settings that can be used in the tests, there is a public demonstrations site available. All parents are invited to explore this site if they are interested. If you have any further questions, do not hesitate to contact Mrs Paxton through the school office.

<https://www.nap.edu.au/online-assessment/public-demonstration-site>

## VEGETABLE WEEK

Next week will be celebrating Vegetable Week and the Big Vegie Crunch.

What is The Big Vegie Crunch?

Did you know that only around 6% of Australian children eat enough vegetables? To help our community do their bit to improve this number, our school will be taking part in The Big Vegie Crunch (part of Vegetable Week) on Thursday 18 March.

Primary schools across NSW will be joining together to break the record for the most students crunching vegetables:

- 50,260 students crunching simultaneously (2018 record)
- 14,991 students crunching at other times over Vegetable Week (2019 record)

What can you do to help?

- Pack a container of vegetables (not fruit this time) for your child to eat on Thursday 18 March.

Need some ideas?

- carrot, celery, cucumber – cut into sticks or left whole
- capsicum – cut into sticks or wedges
- corn – raw baby corn spears or a cooked corn cob
- broccoli or cauliflower florets - raw or lightly cooked to keep their crunch
- tomatoes – small cherry tomatoes or a large tomato that can be eaten like an apple
- beans or snow peas - raw or lightly cooked to keep their crunch
- mushrooms – sliced or left whole
- if fresh veg isn't possible, try canned or frozen vegetables instead
- Remember to keep serving up the vegetables at home and in your children's lunchboxes.

Check out the UP THE VEG at Home resource for ideas

<https://healthy-kids.com.au/up-the-veg-at-home-activity-ideas/>

## ASSISTANT PRINCIPAL

### MATHS OLYMPIAD

In living out our commitment to provide enrichment for our students, we are very excited to have again entered a team in the Australiana Problem Solving Mathematical Olympiad (APSMO). The Maths Olympiad is a challenging competition that encourages capable Mathematics students from Australia, New Zealand and Singapore to obtain pleasure and satisfaction from participating in a demanding series of five contests. The Olympiad programme is more than a single maths exam. It consists of a series of five short papers delivered approximately one month apart from March to September.

The preparation of Maths Olympiad Team will focus on individual student improvement by providing time for practice and development of problem solving skills. Students will learn various approaches to solving problems as well as advanced Mathematical vocabulary, and receive continued encouragement for their efforts. The team will attend before school problem solving sessions once each week, commencing Wednesday 10th March.

### WELLBEING WEEK

This week is Wellbeing Week! A big expression of gratitude to Mrs Tyson who shared her passion for wellbeing by preparing these words and activities for us.

Our focus for this week is to highlight some of the Values in Action (VIA) Character Strengths.

We started to explore these last year and want to continue our journey with them to give students an opportunity to build their literacy around a strengths framework. This will give them a strengths-based language and lens with which to start viewing themselves and those around them. There is a lot of research in the field of Positive Psychology to support that by knowing and using your character strengths it can help to:

- Increase overall happiness and wellbeing
- Build resilience (our SIP focus)
- Boost relationships
- Lead to greater academic performance

The strengths that we have chosen to focus on this term are the five strengths that are most closely linked with high levels of wellbeing. On the following page is a description of each and some activities that you might like to do at home with your family.

## ASSISTANT PRINCIPAL

Love	Gratitude	Hope	Curiosity	Zest
<p><i>This strength allows you to see the good in people and take the time to express warmth and compassion to those you care about most. This strength fosters positive relationships and meaningful connection.</i></p> <p>"See the light in others and treat it as if it's all you see."</p> <p>Wayne Dyer</p> <p><u>Activities:</u></p> <p>Strengths spotting - spot this strength in your friends and family and highlight when they are demonstrating this strength.</p> <p>Positive resonating - share a positive emotion story over the dinner table. Allow everyone the opportunity to share.</p> <p>Compliment people you care about often. Let them know how you feel.</p> <p>Engage in a favourite activity with a loved one (e.g., hiking, going to an amusement park, biking, walking in the park, swimming, camping, jogging).</p>	<p><i>This strength allows for you to be thankful for all the good things in your life. Harnessing this strength allows for us to savour and find joy in our moments.</i></p> <p>"Gratitude turns what you have into enough, and more."</p> <p>Melody Beattie</p> <p><u>Activities:</u></p> <p>Keep a gratitude journal. Write or talk about 3 things that went well at the end of the day.</p> <p>Write a gratitude prayer.</p> <p>Write a letter to someone you love saying thank you to them. You could also phone someone and tell them how grateful you are for them.</p> <p>What would life be like without...?</p> <p>Set aside at least ten minutes every day to savour a pleasant experience.</p>	<p><i>This strength allows us to be glass-half-full kind of people. It allows us to expect the best in life and look for the positives when others might see only the negatives. To harness this strength start prompting yourself to look for the positives in challenging situations.</i></p> <p>"The secret to change is to focus all of your energy not on fighting the old but on building the new."</p> <p>Socrates</p> <p><u>Activities:</u></p> <p>Share a challenge that you have had and think about the positives that ended up coming from that.</p> <p>Create a set of short and long term goals. How will you achieve these? What do you need? Write them somewhere you can see them frequently.</p>	<p><i>This strength allows us to have an ongoing, intrinsic interest in both our inner experience and the world around us. Curious people tend to be attracted to new people, new things, and new experiences, and they are rarely bored.</i></p> <p>"We keep moving forward, opening new doors and doing things because we're curious and curiosity keeps leading us down new paths."</p> <p>Walt Disney</p> <p><u>Activities:</u></p> <p>Activate your <b>curiosity</b> during those times when you are feeling bored or unstimulated (e.g., while waiting in line, a passenger in the car etc), focus your attention on something that ordinarily might not engage your interest. What do you notice? What questions appear in your thoughts?</p> <p>Think about an activity you dislike but have to do. Pay attention to three interesting features of this activity while you do it.</p> <p>Ask questions of your friends and family.</p>	<p><i>This strength allows us to be full of energy. Be engaged and full of life. It allows us to look forward to our day and often this energy is contagious to others.</i></p> <p>"If you have zest and enthusiasm you attract zest and enthusiasm. Life does give back in kind."</p> <p>Norman Vincent Peale</p> <p><u>Activities:</u></p> <p>Brainstorm all of the things you love to do. Create a list of things that make you feel excited and energised.</p> <p>Strength spot someone who is full of zest. Discuss what behaviours and characteristics they display and how this feels to be around.</p> <p>Improve your sleep hygiene by establishing a regular bed time. Notice changes in your energy level.</p> <p>Call a friend or relative that you haven't seen in a while and reminisce about good old times.</p>

## ASSISTANT PRINCIPAL

### ATTENDANCE

Consistent attendance at school is essential if children and young people are to achieve their educational best, foster positive peer relationships and maximise their post school opportunities. All students are expected to be at school each day unless they are unwell (or awaiting COVID results), have an unavoidable medical appointment, are required to attend a recognised religious holiday or for exceptional and urgent family circumstances such as attending a funeral.

Schools are mandated to maintain accurate records of student attendance, including the partial attendance of students arriving late or departing school before the end of the day. Arrival and departure outside of normal school hours requires parent authorisation. Any student arriving at school once the office door or lower gate is closed MUST be signed into the office by a parent or caregiver. Please do not send any students into the office unaccompanied after 8.45am. To assist with accurate time records, we also ask that parents not complete a Compass partial absence explanation at home or on their phone. This ensures that arrival times are precise and reflect the student's exact attendance at school. Please sign your child in at the Compass Kiosk when you drop them at school.

## SPORT

### DIOCESAN SWIMMING CARNIVAL RESULTS

Last night we travelled to the Mingara Recreation Centre to represent the North Shore Cluster at the Diocesan Swimming Carnival. We were both swimming in the 50 metre Breaststroke and Ruby also swam in the 50 metre Freestyle and 200 metre Individual Medley.

Inside the pool it was very humid but there was a good atmosphere. The cheering was really loud but we couldn't hear it when we were in the water.

Once we dived in we cooled down pretty quickly. We then had to concentrate on swimming our best. We were both very happy with our swims and are super excited that Ruby will now represent the Broken Bay Diocese at the Polding Carnival next week. We got home very late last night but it was a lot of fun.

**By Will and Ruby (Year 5)**

# RELIGIOUS EDUCATION

## LENTEN SEASON

During the Lenten Season, students at Sacred Heart explore how they can have a change of heart as they focus on forgiveness and compassion as demonstrated through the Scripture passage of the Parable of the Prodigal Son. We endeavour to move our students' understanding towards the concept that a community's actions of compassion can be transformative for society.

As Catholics, we are called to service. Each year, we make a commitment to support the marginalised in our world. Traditionally at this time of year we raise awareness about the Catholic organisation, Caritas, and their good works for our brothers and sisters in need.

Next week, on Thursday, 18th March, we invite students to wear crazy socks with their school uniform (instead of their school socks). The crazier, the better! We also ask students to donate a gold coin for the privilege in order to support Carita's Project Compassion campaign this year to "Be More".

Thank you to our Mission Leaders, Finn & Trent, for promoting this fundraiser for Caritas within our school community.

Thursday  
18 March  
Week 8

**Be More**

"Aspire not to have more, but to be more," explained Saint Oscar Romero.

You can wear odd socks, just not the fancy type because they could get dirty!

Did you know that...  
\$20 will provide CoVid19 prevention training for a member of a primary school?

Please bring in a gold coin.  
Don't forget your crazy socks!!!

Each class will have a Project Compassion Box. Be sure to put your gold coin in there.

Did you know that...  
\$70 can buy fabric to make up to 1000 CoVid19 masks to protect a community?

## SERVICE TO THE DISH

Our sincere gratitude goes to the team of volunteers who prepared, delivered and served a meal for our friends at "The Dish" last night. Your generosity of spirit is greatly appreciated.

**Prayer for the Poor and Needy** (A contemporary prayer for the poor and vulnerable from [www.lords-prayer-words.com](http://www.lords-prayer-words.com))  
Lord God,

You came to give honour to the least, those forgotten, overlooked and misjudged.

You came to give first place to the last, those left behind, misunderstood and undervalued.

You came to give a warm welcome to the lost, those who are orphaned, abandoned and destitute.

Help us to be your ears to listen to their cries.

Help us to be your voice speaking out love and acceptance.

Help us to be your feet walking beside those in need.

Help us to be your hands to clothe, feed and shelter them.

You came for the least, the lost and last of this world.

Lord, hear our prayer. Amen.

Liana Stella

Religious Education Co-ordinator

## YEAR 6 LEADERSHIP MORNING

On Tuesday, we were privileged to have been invited to a special Zoom meeting, celebrating the new leaders in the Catholic schools of Broken Bay. We learnt many inspirational things from Bishop Anthony Randazzo around leadership and compassion. As well as meeting and interviewing ordinary people who do extraordinary things for our society. We gained knowledge of different strategies to make a positive impact on our local community. Bishop Anthony sparked our curiosity towards inspiring leaders in our society and responded passionately to our questions. We also highlighted the need to put others before ourselves and especially as leaders we must be selfless and responsible role models. We learnt how to create a stronger bond with God, to have faith and entrust ourselves in His everlasting love and care, as well as encouraging others to develop a close relationship with God too. In the end, we had a great understanding of becoming better leaders and we developed a drive to make a positive impact on our catholic community.

**By Jayden and Hakone 6M**

# LITERACY CENTRE

## RETURNING BOOKS

The ‘Book Muncher’ will be outside reception each Tuesday and Wednesday morning so that you can return your **books before school starts**. This ensures that the books can be back on the shelves after cleaning processes as quickly as possible. Parents, could you please remind your children to do this as they come to school on Tuesday and Wednesday...THANK YOU!

## PREMIERS READING CHALLENGE

All Sacred Heart students will once again be involved in the Premier’s Reading Challenge this year which starts in March and ends in August. We had an overwhelming number of students who finished the challenge last year and we hope to exceed this number in 2021!

All Sacred Heart students should now have been issued with passwords and user names, which were sent home in an instruction note last week - **it is very important that you keep this password somewhere safe as it will be used each year.**

Parents with students in K-2, you will be responsible for assisting your students log their books. Students in Year 3-6 will be able to log their books independently (but will need reminders at home!). Information on the challenge, how to log a book and website details will be sent home to all parents shortly. You can log books on the PRC students experience website <https://online.det.nsw.edu.au/prc/studentExperience.html#/>

A reminder to the students that there are some wonderful e-books, that can be included on the PRC, on **World Book Online**. These e-books are predominantly non-fiction and there are many on the site that have been added to the challenge as PRC books and can be added to reading logs.

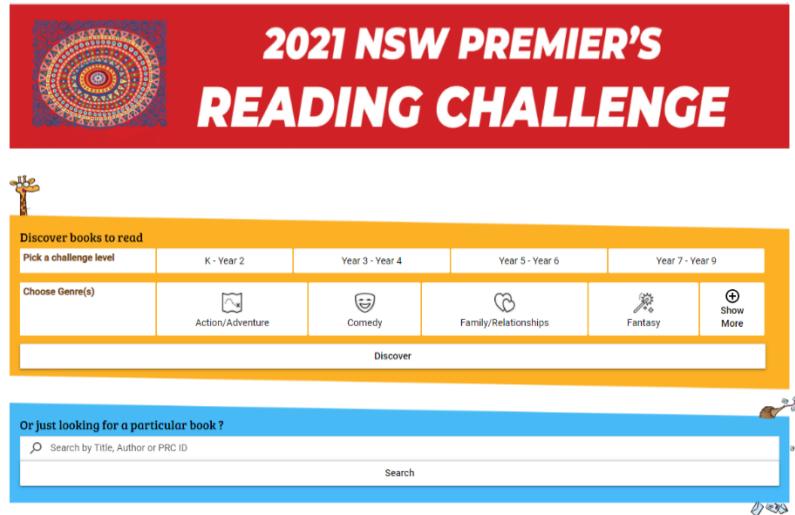

## STEM CHALLENGE WEEK

In week 5 the students in K-6 were all involved in various STEM Challenges during their Library lesson. These challenges were teaching Level 1 STEM Skills and focused predominantly on the skills of ‘Collaboration, , Creativity and Problem Solving’. These skills will continue to be explicitly taught and used during class time. Our next STEM Challenge week will be in week 9. *See our Facebook page for photos on STEM week.*

## TINY TOTS STORY TIME IS BACK!

Starting on Thursday in week 8 (18<sup>th</sup> March) at 8:45am-9:15am, I will be welcoming preschool children to join me in the Literacy Centre for story time each week! The children will also be able to borrow books (under their sibling’s name) during this time. Please ensure you sign in at the front office upon arrival.

We look forward to seeing you in the Library again!

## CANTEEN

Please see below the canteen roster for the next 2 weeks. If you need to swap please contact someone on the same day of the week as you or contact me by email on [shp@dbb.catholic.edu.au](mailto:shp@dbb.catholic.edu.au) and we can arrange an alternative.

**Please note that the canteen will not be open in week 10.**

Week 8 - Wednesday 17 <sup>th</sup> March	Week 8 – Friday 19 <sup>th</sup> March
Melissa Garling Kristen Levy Elizabeth Tamana	9am-1:30pm 9am-1:30pm 9:30am-1:30pm
<b>Week 9 – 24<sup>th</sup> March</b>	
Melissa Garling Yvette Knox Rose McLennan	9am-1:30pm 9am-1:30pm 9:30am-1:30pm
<b>Week 9 – Friday 26<sup>th</sup> March</b>	
	Angela Bracks Laura Bromley Monique Chang
	9am-1:30pm 9am-1:30pm 9:30am-1:30pm
	Angela Bracks Sylvia Ulevik Jane Giacobbe
	9am-1:30pm 9am-1:30pm 9:30am-1:30pm

Katherine Mifsud  
**Canteen Co-ordinator**

## P & F

### THE DISH

Last night our school community volunteered at The Dish (which we do once each term).

The Dish is an initiative of St John's Uniting Church, Wahroonga, that has been running for 15 years. A wide variety of local school and church communities volunteer each Tuesday and Friday evenings to provide food and help with distribution to those in need.

A VERY BIG THANK YOU to everyone who helped by:

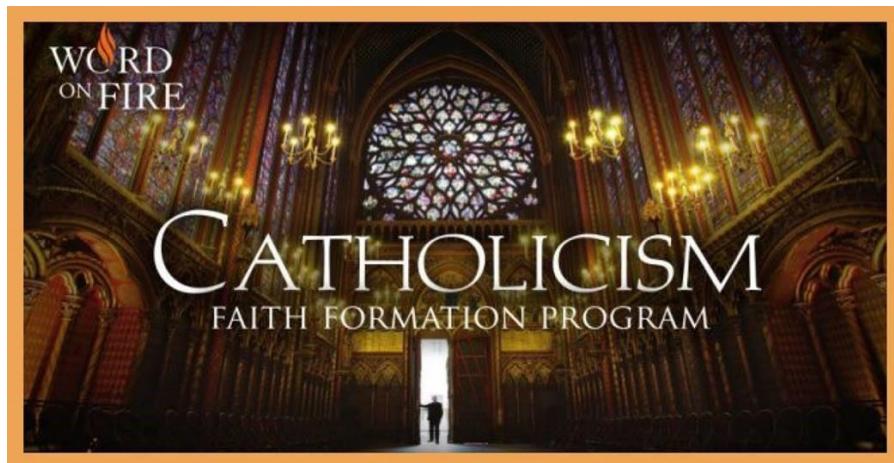

- Cooking/contributing food and drinks
- Making up takeaway breakfast and toiletries packs; and/or
- Coming along to distribute and extend the hand of friendship and community support to those vulnerable people living in our local area who attend the service.

We were inundated by offers to help, spanning our entire school community, from new Kindy families through to families whose youngest children are in Year 6 and many in between. All the tasks were allocated in under 12 hours after the request went out last week and we even had multiple reserves for each task - such a wonderful expression of our school community's generosity and Christian faith in action!

The date we have been assigned next term is **Tuesday 8<sup>th</sup> June**. So please mark it in your calendars. If you have any questions about The Dish and/or how you can help either on the night or in other ways please contact Sylvia Ulevik on [0404294970](tel:0404294970) or [home@ulevik.com](mailto:home@ulevik.com) or have a look at The Dish's Facebook page <https://www.facebook.com/thedishofstjohns>

Well done and thanks again  
**P & F Executive Committee**

## PARISH

The Parish Pastoral Council is hosting an evening on Tuesday 16<sup>th</sup> March and Tuesday 30th March 2021 and will be screening 2 episodes of the series called Catholicism.

Bishop Robert Barron created this program as a thematic presentation of what Catholics believe and why, so all adults can come to a deeper understanding of the Catholic faith. Not a video lecture, Church history or Scripture study, this engaging and interesting formation program uses the art, architecture, literature, music and all the treasures of the Catholic tradition to illuminate the timeless teachings of the Church.

Many of us in the community attended Catholic schools and have chosen the same for our children. As parents of children receiving a Catholic education, I am warmly inviting you and encouraging you to attend these evenings to support your child's faith formation and understanding of what it is being a Catholic. The evenings will be informal and hosted in **the Sacred Heart School Library from 7.30 – 9pm**. We will watch one of the Catholicism series each week and have a brief discussion afterwards.

It will be an opportunity to meet other parents and reconnect a little with your Catholic faith. You are welcome to attend one evening or both. This event is for adults only.

Please RSVP by completing the below link to assist with the planning of the evening.  
<https://forms.gle/rE19CtgW6iauDXrw7>

Any questions please don't hesitate to contact me on 0449 840 602.

Jo Cox  
**Chair, Sacred Heart Parish Pastoral Council**

## COMMUNITY

St Leo's Catholic College is excited to be holding their **2021 Open Day on Tuesday March 16, from 4-7pm** and would like to invite and interested families to attend. We suggest that families register via the website so they can be advised of latest updates, Covid changes etc. if required.

A reminder also that St Leo's now offers students from **ALL** fellow Diocesan schools:

- Priority enrolment
- **NO** application fees, and
- **NO** enrolment forms required

(simply follow the Priority Feeder Schools link on the Enrolment page of the website)

### St Leo's Catholic College, Wahroonga

**What's on!**      **All welcome!**

- Speak to our staff and students
- Hear from the Principal - hourly addresses
- Tour our \$25m campus upgrade
- Information stands and displays
- Sports activities and CAPA performances
- Covid-safe plan in place

Our innovative learning environment, strong academic results, caring community and personalised approach make St Leo's an exceptional place to learn.

Come and find out more!

Enter via Woolcott Ave, Wahroonga, or main event parking via Yardley Ave, Waitara.

*Enter with passion – graduate with greatness*

Tour our \$25m campus upgrade

## OPEN DAY & EXPO

**Tuesday 16 March, 4-7pm**

Register at: [stleos.nsw.edu.au](http://stleos.nsw.edu.au)

### SACRED HEART NETBALL

#### Netball Training

Training for many of our netball teams commences the week beginning 15<sup>th</sup> March 2021 on Tuesday to Friday afternoons after school. We ask that all parents ensure that their cars are moved from the Richard Porter Way carpark by 3.15pm each afternoon, to ensure that our netballers have a safe space to train. Many thanks!

#### Coaches and Managers Meeting

Our annual Coaches and Managers meeting will be held in the Marian Hall at 7.30pm on Monday 15<sup>th</sup> March 2021. We hope to see all Coaches, Managers and NetSetGo umpires there.

### PYMBLE PARISH SOCIAL JUSTICE GROUP

Our next collection for the communities of Griffith is now underway. We would appreciate donations of clean and good quality clothing for men, women and children and also toiletries, sheets and towels. Warm clothing would be especially appreciated as we approach the cooler months. There will be a collection box in the school foyer from Monday 22/3 to Friday 26/3.

Thank you so much for your support of these communities. They are so thankful for our ongoing support. Please contact Jocelyn Barber [jocelynbarber@optusnet.com.au](mailto:jocelynbarber@optusnet.com.au) if you need any further details.
