Dry & Cosy Coat (Optional)	4, 6, 8, 10, 12

Some tips for Kindy & new families:

For girls

- The winter pleated tunic is a narrower cut than the summer dress, so girls often need one size larger than their summer dress. The long sleeve blouse is a regular cut, so the same size as their summer dress is usually right.
- Girls may wear either black knee-hi socks or black tights with their tunic. Socks are a sensible option for younger girls until they can manage tights independently.

For boys

- The long sleeve shirt and tie are a compulsory part of the boys' winter uniform.
- The trousers for boys are optional. Boys may choose to continue to wear their shorts through winter, but if they do so they must wear them together with the knee-hi socks, long sleeve shirt and tie.

For everyone

- The woollen jumper is a compulsory part of the winter uniform for all children. During winter the "Zip-Up Jacket" from your summer uniform is to be worn only on sports days. Correct winter uniform for all other days requires the woollen jumper.
- Fleece track pants for sports days are optional, but are a good idea in the colder weather.
- The "Dry & Cosy" coat is also optional. It has a weatherproof outer with a polar fleece lining and is handy for those who particularly feel the cold!
