20 November 2026

Dear Parents and Carers,

As we approach the end of another year, I would like to thank you for your ongoing partnership and support of our school community.

At Sacred Heart, our focus remains clear: delivering outstanding learning outcomes, nurturing faith and wellbeing, and ensuring every student is known, supported and challenged to achieve their personal best. This commitment continues to guide all that we do.

Over the past year, we have continued to strengthen teaching and learning through a consistent approach to curriculum, assessment and pedagogy, supported by collaborative coaching and targeted professional learning for staff.

We have also further enhanced our use of data and evidence-informed practice to ensure every student receives the support and challenge they need to flourish.

As we look ahead to 2027, and the commencement of Siena Catholic College, we remain committed to investing in the programs, people and resources that support student learning, faith formation and wellbeing.

At the same time, Catholic education continues to face increasing financial pressures. Recent changes to government funding arrangements, including adjustments to disability funding verification and Capacity to Contribute assessments, have reduced funding available to Catholic schools across our system.

In responding to these challenges, as a system of schools, CSBB has worked hard to identify efficiencies and reduce overhead costs wherever possible. Importantly, we have done so while maintaining our commitment to student learning, support for students with disability, and the ongoing development of our teachers and leaders.

As a result, Fees for 2027 at Siena Catholic College will increase to $5 713 for students in Years 1-4 and $5 877 for students in Years 5 and 6. The Fee for Kindergarten will be $5 877. The increase reflects our commitment to maintaining both quality and affordability for our families, especially in the current challenges of the cost of living. The attached schedule outlines the fee structure for next year.

We understand that families continue to face cost-of-living pressures and we are committed to keeping Catholic education accessible and affordable. Supporting families remains an important priority, and we encourage anyone experiencing financial difficulty to contact the school. Conversations are treated confidentially and a range of assistance options are available.
